

American River Basin: Downtown Combined Sewer Upsizing Project

Attachment 12: AB1420 and Water Meter Compliance Information

Overview

The project described herein is the City of Sacramento's Downtown Combined Sewer Upsizing Project. This is a combined stormwater-sanitary sewer project.

The City of Sacramento is an urban water supplier as defined in the California Water Code. As such, the City is required to comply with the requirements of the water code as they pertain to AB1420 and water meter compliance.

Attached is documentation for the City of Sacramento showing their compliance with AB1420. Also attached is a copy of the original Water Meter Compliance form that was submitted as part of the American River Basin's Prop 84 Implementation Grant Application on January 7, 2011.

Mr. Marty Henneman
Director of Utilities
City of Sacramento
1395 35th Avenue
Sacramento, California 95822-1400

Dear Mr. Henneman:

The Department of Water Resources (DWR) has reviewed the City of Sacramento's Self-Certification Statement – Tables 1 and 2 submitted on March 21, 2011, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine eligibility of Sacramento to receive water management grant or loan funds. DWR has followed the *Draft AB 1420 Compliance Requirements* dated June 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Tables 1 and 2, Sacramento has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

DWR reserves the right to request additional information and documentation, including reports from Sacramento to substantiate the accuracy of the information provided in Tables 1 and 2. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Tables 1 and 2.

If you have any questions, please contact me at (916) 651-7025 or Betsy Vail at (916) 651-9667.

Sincerely,
